INTRODUCTION.

This Church Record is printed to preserve what is of historical and genealogical interest to the people of Huntington. It is mainly a record of 2,381 baptisms and 822 marriages celebrated during a term of fifty-six years, 1723-1779, but it also contains some matter which will interest the general student of theology and church development; notably a confession of faith, antedating the expositions of Jonathan Edwards, and liberally annotated with biblical references. It also contains quaintly worded accounts of trials of church members for various forms of misconduct which may illustrate the manners and morals of those times. The only omission in this reproduction is a list of over two thousand texts of sermons, which are curiously classified according to the books of the Bible from which they are taken, and are referred to by chapter and verse. This list occupies twenty-six pages of the original Record.

There are some matters in this Record relating more to Mr. Prime personally than to the affairs of the Church, particularly his family record, which he saw fit to set forth at greater length than the records of the families of his parishioners. This is so quaintly worded and illustrates so well the character of the man and the habits and thoughts of the time, that it would be a loss to the interest of this volume to omit it.

It has been thought best to print everything as it occurs in this Record, changing the spelling, the punctuation and the use of capital letters only as may be necessary to give uniformity and conformity to the usage of that period.

The First Church in Huntington was organized at about the time of the settlement of the town, say 1660. It was then an Independent or Congregational Church, after the pattern of the Churches of Connecticut, and did not become a Presbyterian Church until 1748, as appears in this Record. Unfortunately the earliest records of this Church have not been preserved. It is known, however, that originally the relation between the Church and the town government was very close. The ground for the church building was given by the town and other land set apart as a parsonage lot. The support of the minister was at

first provided out of the town taxes. The earlier ministers were engaged by the town and their yearly salaries voted at town meetings. This practice prevailed before the calling of Mr. Prime. There is evidence that Mr. Prime's yearly salary was provided by subscription by the people of the town not necessarily church members, and was not, as in the case of his predecessors, a charge on all tax payers. Possibly this incipient separation of civil and ecclesiastical affairs was characteristic of the period.

At Mr. Prime's ordination the membership of the Church was only 15 men and 27 women, although the assessment lists of earlier time show more than a hundred resident tax payers. It is plain that only a small proportion of the citizens formally professed religion and belonged to the church. Of the fourteen persons chosen at the town meeting in May, 1724, as is shown on the town records, as trustees, assessors, collector, constable and other town officers, only two appear by Mr. Prime's Record to have been members of the Church; and one of these, Jeremiah Wood, a Trustee of the Town, and consequently a person of good repute among his neighbors, appears in Mr. Prime's record to have been "Under Censure of Admonition."

Another curious fact may be observed. Nearly all the male members of the Church at Mr. Prime's ordination have "senr." opposite their names. This indicates that they were old men, probably the sons of the original settlers. It may be inferred that the third generation were not generally members of the Church. Whether these facts tell of a low state of religious interest and a reaction from the strictness of the primitive Puritans I will not attempt to inquire.

Nevertheless this was during nearly all of Mr. Prime's pastorate the only church in Huntington, and it is probable that all the respectable inhabitants were regular attendants at its services and contributors to its support. Consequently, the record of the marriages solemnized by its pastor comprises practically all the marriages of the residents of the town during those years.

It was the practice to have infants baptized a few days after birth, apparently whether the parents were members of the church or not. Hence the pastor's record of baptisms is approximately a record of births in the families resident in the town. Unfortunately in this record the names of the parents of the children baptized are rarely set down.

It is unfortunate also that no record was kept by the pastor of the burials attended by him. Such a record would have served very well as a record of the deaths of the people of Huntington.

Rev. Ebenezer Prime was born at Milford July 21, 1700. He was graduated at Yale College 1718 (the year when the name of Yale College was adopted). He became the assistant to Rev. Mr. Jones, the Pastor of the Church at Huntington June 21, 1719. He was ordained collegiate pastor of this Church June 5, 1723, and continued in that relation until death, September 25th (or October 3d), 1779.

This brief recital of the chief dates in his career, supplemented by the publication of the Record kept by him with persistent system during the long years of his ministry, serves to tell the well-rounded story of a faithful life. Any one can read anywhere between the lines of Mr. Prime's Church Record perseverance, steadfastness amid difficulties, unremitting attention to daily duties coupled with an intellectual devotion to fundamental principles which commands admiration. This Record affords an excellent illustration of the sturdy, purposeful character of the men who founded and built up the English colonies in America.

During the period over which this Record extends, 1723 to 1779, the American colonies grew in wealth and self-confidence, suffered probably somewhat from hardship, from pestilence and wars, but excited the jealousy and experienced the restrictive legislation of the mother country, which developed the war of the Revolution. Nearly four-fifths of this period fell in the reigns of the first and second Georges, when Englishmen generally were prospering. It is probable that the people of Long Island, and incidentally of Huntington, although quite out of the channel of commerce, shared this prosperity. The people of Huntington were for the most part farmers, but there were some who followed the sea; and although it is not probable that the profits of the cod fisheries and the whale fisheries came here, quite likely the traffic in West Indian goods, in rum and slaves, occasionally enriched some of Mr. Prime's parishioners.

There is evidence in this Record that some social demoralization was felt in Huntington during the French and Indian War, but the effects of the Revolution are not so plainly reflected, probably because Mr. Prime, at that time more than seventy years old, was less able to take part in current affairs or less ready in recording them. On one page of the Record and not in Mr. Prime's hand-writing an account was begun of "arms accoutrements and ammunition of Captain ———." The remainder of this entry has been erased so that it is unintelligible. The fact that such an entry was begun on this Record may indicate a close connection between Mr. Prime and his church and the patriot army in the Revolution.

The following Sheets contain a Record of various weighty and memorable Things made by me EBENEZER PRIME

Sundry of which were transcribed from some other Papers Anno 1730.

My Ordination to the Sacred Service of ye Gospel Ministry in Huntington was attended on June 5th, 1723.

The Reverend Presbyters that carried on the Solemnity were:—

Mr. Eliphalet Jones,	Pastor of	Huntington.
Mr. Joseph Webb,	"	Fairfield.
Mr. Ebenezer White,	"	Bridghampton.
Mr. Stephen Buckingham,	"	Norwalk.
Mr. Daniel Chapman,	"	Greensfarm.
Mr. Benjamin Woolsey,	"	Southold.

The Sermon was Preached by the Rev Mr. Chapman, and the Charge was given by the Rev Mr. Jones, in the following words:—

For as much as a Number here present professing the Faith of X and a Readyness to subject themselves to the Commands and Institutions of Jesus X, the King of Saints, in order to their partakeing of all the Blessed Priviledges granted by the Lord X to his willing people in the Kingdom of Grace, have chosen thee, Ebenezer, to be their Pastor and to have the rule over them in the Lord,

And thou also hast professed a Readyness of Mind to accept of their Call, and to devote thyself to the work of X and Service of the Souls of this People:

We do therefore in the name of ye Lord Jesus Christ, ordain thee a Minister of X and a preacher of ye Word and Gospel, and a Dispenser of all the Ordinances of the House of God, Baptism and ye Holy Supper of ye Lord, and Discipline, according to ye Rules of ye Gospel. These things to be attended with special Reference to this Church, that hath chosen thee to be their Pastor.

See therefore yt thou behave thyself towards them as becomes a Minister of X, and a faithfull Steward of the Mysteries of God.

And as thou art allowed of God to be put in Trust with the Gospel, so speak not as pleaseing Men but God who tryeth ye Heart. Fear not ye laws of Men, nor shun to declare the whole Counsel of God. Keep thyself pure from the Blood of all Men. Take heed to thyself and to all ye Flock over which the Holy Ghost hath made thee an Overseer. Feed and watch over the Church of God which he hath purchased with his own Blood.

Take heed to thyself and to thy Doctrine, showing therein Incorruptness,

Gravity, Sincerity, sound Speech that cannot be condemned. Hold fast the form of sound Words which thou hast learned from the Holy Scriptures.

Study to show thyself approved, a Workman yt need not be ashamed rightly divideing the word of Truth. Continue in these things and in so doing thou shalt save thyself and them that hear thee.

And we charge thee, Ebenezer, before God and the Lord Jesus X, who shall judge the Quick and ye Dead at his Appearing and Kingdom, Preach the Word, be instant in Season, out of Season. Rebuke, reprove with all Authority. Let no man despise thee.

Exhort with all Longsuffering, warn the Wicked yt they turn from their evill Ways and live. Be patient towards all Men, with meekness instructing them that oppose themselves if peradventure God will give them repentance unto Life.

Feed the Flock of God, takeing the Oversight of them not by Constraint, but willingly, not for filthy Lucre, but of a ready Mind, not lording it over God's Heritage, as haveing Dominion over their Faith, but as Helpers of their Joy. And when the Chief Shepard shall appear, thou shalt receive a Crown of Glory yt fadeth not away. Be faithful to ye end, and remember who hath said, Lo I am with you to ye End of the World, Amen.

This Charge was given at ye place of Publick Worship in Huntington, June 5th, 1723.

Huntington, June ye 5th, 1723.

A confession of Faith delivered on the Day of my Ordination in publick and afterwards assented to by the then Members of the Church in full Communion and by all others at their Admission, the Introduction which follows being excepted.

Since it hath pleased the Lord in his alwise Providence to employ me (one of the least of all Saints) in the work of the Gospel Ministry; and I am now by Fasting Prayer and laying on of hands to be separated to the Work whereunto the Lord hath called me to be solemnly invested with the Authority of a Gospel Minister whose Commission is most sacred and office Work honourable; it may seem but reasonable that I should give you some satisfaction that ye Truth of ye Gospel doth continue with me, and that I should confess with my Mouth those things which I believe in my Heart and shall make the subject of my Preaching to you.

Rom: 10. 9.

And this is what I am now about to do in this Confession of my Faith which I make in ye Light and Presence of God and before this Assembly of many Witnesses therein according to the Measure of Grace received, giveing an account of the Hope which is in me with Meekness and Fear as followeth:

1 Pet: 3. 15.

I believe that there is one only liveing and true God, Infinite in Being, Glory, Blessedness and Perfection All sufficient Eternal, Unchangeable, Incomprehensible, Everywhere Present, Almighty, knowing all things, most wise, most holy, most mercifull and gracious long suffering and abundant in Goodness and Truth.

Eph: 4. 8, 11, 12. who is ye only Head and King of the Church hath appointed
proper and distinct Officers in his Church, who are to deliver his
Message, plead his Cause, defend his Truth, gather Churches and
guide them in his Name and Fear. That the Lord Jesus X
stands at ye Head of this great Mission committing this Treasure

to be of God and not of Man; and that according to his Promise

I believe that the acceptable way of worshiping God is in-
Matth: 15. 19. stituted by God himself and is to be kept pure and entire from ye
Mixture of humane Inventions.

I believe that there are only two Sacraments in the new Testa-

ment of Divine Institution, Baptism and the Lord's Supper which are Souls of ye Covenant of Grace.

In Baptism I believe we are admitted into the visible Church and by the application of Water in the name of ye Father and of the Son and of ye Holy Ghost we are consecrated and devoted to ye Grace and Service of the living God. I am persuaded that Believers and their Seed have a right to this Ordinance since the Promise is made unto them and their Seed even to as many as the Lord our God shall call.

In the Lord's Supper (which is appointed for our Growth and Establishment in Grace) I believe we are to eat and drink the sacramental Bread and wine in Remembrance of Jesus X most thankfully, commemorating the satisfactory Sufferings and Death of ye Mediator. In these and other the appointed means of Grace we are to continue steadfast till ye ascended Redeemer returns.

I believe the Resurrection of the body both of ye Just and Unjust. When the last Trumpet shall sound, the Dead shall be raised; the Bodies of ye Unjust by the Power of Christ unto Dishonour; but the Bodies of the Just by the Spirit of X unto Honour, and shall be made conformable unto his most glorious Body. The hour is coming in which they that are in their Graves shall hear his Voice, and shall come forth, they that have done Good unto the Resurrection of Life; and they yt have done Evil, unto the Resurrection of Damnation.

January 19th, 1749/50.

Alas, Alas! I have Reason to mourn bitterly, and to be deeply humbled before the Lord, for on this Day between eleven & twelve departed this Life my dear Daughter Margeret Browne (in Huntington) Wife to the Revd. Mr. James Brown of Bridg-Hampton, aged 23 Years 9 Months and 10 Days.

The only Branch of my Family by my first Marriage is now taken away. But blessed be God for the abundant Reason I have to hope that She is now triumphing with Christ in Glory, whether I trust her dear Brother ascended more than seven Years ago.

But alas, alas! I am here in a World of Sin & Sorrow. The Root is waxed old and dried up in the Earth, and both the Sprigs are cut off as with a pruning Hook, so that I am left as a poor old Tree bereaved of those precious Branches. Yet I desire to bless God, and say, as in Job: 1. 21.

MEMORANDUM.

Daniel Lewis and His wife v. The widow Eliz. Williams.

After some months of unhappy Contention between the Parties above mentioned, on the 4th Day of Feby. 1735/6, appeared at the house of Deacn. David Sammis, Daniel Lewis and his wife where was present Elizabeth Williams abovsd, at a Church Conference held for the exercises of Religion and the Mutual Instruction and Edification of ye members of the Church of Xt in Huntington.

After the Conclusion of the solemn Exercises of Religion & the Blessing ministerially pronounced, the wife of sd Lewis without Leave ask'd or obtained, spoke in the Church and said to this effect; that she desired all those of the Church that were dissatisfied with her upon the account of the Difference between the Wid'w, Elizabeth Williams and herself, would tarry and hear what was to be said in that affair, and that the rest, would depart. Upon which the most considerable part of the Church stopt. And thereupon presently arose a warm and disorderly Dispute, between the abovesd parties at variance. Sd Lewis and his Wife by sundry passages, gave the Church Ground and Reason to think, they had something to offer by way of Complaint agt, ye sd Eliz. Williams, and did, tho not in order and form, offer sundry things to that purpose. Whereupon by the Pastr of said Church, it was observed to sd Lewis and his wife that if they had anything to object agt sd Williams to the Church, the orderly and regular Method to be observed by them was to draw up their Articles of Complaint in form and exhibit them to the Church with sufficient Evidence.

To which, sd Lewis (among other things) answered that he did not understand our methods, but if that was the way, he could and would do it, if we would give him time or to the like purpose.

But thereupon ensued a great deal of disorderly Jaring & Contention, Saying and Gainsaying, notwithstanding such endeavours of the Pastr. of the Church to the contrary as he tho't the Circumstances of the Case and the Persons therein concerned would bear.

Many arguments and endeavours were used to persuade the parties at Variance to ye exercise of Christian Charity and a friendly Accommodation, but all at that time proved abortive.

Towards the Conclusion of the Debate, Daniel Lewis afforesd gave the

Church reason to think, that at the next Church Conference or Lecture, preparatory to the Sacrament, he would exhibit to the Church his articles of Complant agt the widw Eliz. Williams.

However, the Pastr of the Church, being solicitously concerned for the peace of the Church, after a few Days Consideration, by messages sent, desired the parties at variance to meet at his house.

Accordingly, Feby. 11th, 1735/6, they met and with them the two Deacons and two other Brethren of the Church. Something was alledged by sd Lewis and wife agt sd Williams, but nothing of scandal made evident. Here also all arguments and endeavours to effect a reconciliation prov'd abortive thro' the Obstinacy of said Daniel Lewis.

But at the conclusion of the meeting desired some time to consider of the affair, and promised that within a few days he would give some farther acct to the Pastr of the sd Church.

Here it is to be remembred, that the most material thing objected Feby. 11th, 1735/6 By sd Lewis and wife agt. sd Williams was matter of falsehood if not a plain and full charge in so many words, yet what amounted to it in writing. The circumstances of the affair being to this effect so far as I can remember, viz:—that when the unhappy Controversy between sd Williams and Jerusha Scuddar was first brought before the Civil Authority, Charles Sexton, Esqr. Justice, &c., sd Williams declared that if Jerutha Scuddar would clear herself by her oath, she would take up satisfied without prosecuting her any further and that sometime after at the house of Isaac Platt sd Williams denied that she had ever made any such offer, upon which Isaac Brush as sd Lewis intimated in his paper being called told said Williams that she did, and that Justice Sexton declared to the same purpose, so far as he understood the matter. But a few days after Justice Sexton & Isaac Brush witnesses inserted in sd Lewis's Paper declared privately that they remembred no such thing as the Widow Williams's declaring that if sd Scuddar would clear herself by her Oath she would take up satisfied.

Feby. 18th Anno eodem the Parties at variance met again and with them the two Deacons & several Brethren of ye Church to endeavr further on healing of the Breach. After the affair had been recommended to God by Prayer and some words of Caution and Counsel given by the Pastr of the Church, various things were discoursed off and a peace at last concluded between the Widw Williams and the wife of sd Lewis & methods agreed to for giving Satisfaction to the Church. But sd D. Lewis continued obstinate, professed indeed a willingness to be at peace with the woman and declared in Presence of sundry of the Brethren that he had nothing to alledge agt her, but yet refused to give any reasonable satisfaction to the Church upon acct. of what he had alledged and promised to article and

prove agt. her as is before mentioned, and so after a great deal of fruitless Labour and Discourse as to him, the Meeting ended.

At a Church Conference held at the house of Deacon David Sammis on ye 3d of March 1735/6, Daniel Lewis not appearing either to exhibit and prove any Articles of Complaint agt. the Widw E. Williams or to give Satisfaction to the Church, which had been (repeatedly in private) represented to him as necessary and reasonable, it was proposed by the Pastor of sd Church as a thing reasonable and necessary, that the sd Daniel Lewis (being a member of the Church by his Baptism and having subjected himself to the Government of the Church by an explicit Renovation of his Baptismal Covenant) should by the Authority of Christ in his Church be ordered to appear before them in convenient time and place in order to give such satisfaction in the premises as should appear necessary and reasonable. Accordingly after some Consideration and Debate it was voted by the Fraternity, that the Pastr of sd Church should transmit such an order to sd Lewis for the purposes aforesd. Nemine Contradicente.

Sd Order to be transmitted to said Lewis is as followeth:—The Elders and Brethren of the Church of X in Huntington, to Daniel Lewis within the limits of the same place, send Greeting

Having by a Solemn and explicit Renovation of your Baptismal Covenant in the Presence of the Alseing God, and before his People, subjected yourself to the Government and Discipline of X in this his Chh, it seemed good unto us, being assembled, not only to desire but to order and require you; and we do hereby order and require you to appear before this Chh on the 24th day of this present Month at the house of Deacon David Sammis, in order to give such satisfaction to the Chh in the Case of our Sister Elizabeth Williams, as shall appear to be agreeable to Scripture and Reason. Fail not but govern yourself accordingly.

EBENR PRIME, Pastr

Huntington,
March ye 3rd, 1735/6.

In the name and with the consent of ye Fraternity.

A copy of the above written order was accordingly transmitted to said Lewis by the hand of our Brother Zophar Platt Die Proximo March 24, 1735/6 The Church being met after usual conference exercises were over, the Case of Daniel Lewis was mentioned and he not being there, but being in Town was sent for, and after some time came, but refused either to make any Acknowledgment or to bring in any Allegations against the sd E. Williams in order to give satisfaction. But after some disorderly Discourse desired from that time to the second Sabbath in April to consider further, which after some Opposition by some of ye Brethren of ye Church was by the pastor of sd Church granted.

April 11th, Die Dom. after way made by the pastr of sd Chh, Lewis put a paper into ye hand of sd Pastr, exhibiting something against sd Williams, the consideration of which is refered to ye Chh, appointed to meet on Wednesday next at the house of Deacon David Sammis at one o'clock Post Meridiem.

April ye 14th, the Chh met according to the Appointment of Apl 11th, at which time, after the usual Exercises of Religion were over, and some Measures taken to persuade Daniel Lewis to the most easy way of Accommodation, but to no purpose, then Danl Lewis's Articles of Accusation or Complaint were read to ye Chh. His pretended Profs given in, and read, & thereupon Liberty was given to the Widw, Elizabeth Williams to make her Defence, which being done, the Brethren of the Church withdrew to consider the Allegations of sd Lewis and the Defence of sd Williams, and upon mature Consideration of the whole matter could find no good Ground to censure the sd E. Williams, or withdraw Communion from her, but one and all of them professed a willingness to own her as a member of the Chh in as good standing as ever, notwithstanding what had been alledged against her by invidious Tongues. As might more fully appear on both sides by the Minutes of the Chh's Judgement then taken, Reference being thereunto had.

June ye 2nd, 1736, at a Conference meeting held at the house of Deacn D. Sammis, after the usual exercises of Religion, some means were used to bring Danl Lewis to an Acknowledgment and Submission, but to no purpose, he continueing obstinate. A peace was concluded between ye Widw E. Williams and his wife, and they accepted of the Church. (Note. Since made his submission, etc.)

Whereas the Practise of this Chh as to ecclesiastical Government has, in Time past, been according to the congregational Scheme, which has for some Time been attended with Inconveniences, and the Pastor of sd Chh being otherwise minded, he presiding as Standing Moderator on Lord's Day the 27th of this Instant March last past appointed a Chh Meeting of which he gave publick Notice, desireing it might be full, on the acct. of some things of Importance he had to communicate to the Chh.

The two first being Deacons before and still continued in that office tho now Elders.

Thomas Campbel, one of the Brn. who had been suspended for many years, upon acct. of an Axe belonging to Jonas Brush, which sd Campbel refused to deliver till obliged by Law, made his Acknowledgment. But other Things being objected his Suspension was continued till they should be enquired into and adjusted.

At a Session held for the Presbyterian Chh of Huntington, Septr. 13, 1754, According to an Appointment notified the Lord's Day before, present:—

E. Prime, Pastor	
Z. Platt	Elder
Thos Rogers	"
A. Chichester	"
Eln. Smitm	"

Opened with Prayer: Then took into consideration the Charge of Falsehood exhibited by Reben Johnson, against Benjamin Brotherton, one of the Brn. of the Chh. upon acct. of which sd Brotherton has been denied special Privileges for some Time. But sd Johnson not appearing to make good sd Charge upon examining the Testimony of Justice Elnathan Wickes sent in, and a variety of Circumstances in Favour of sd Brotherton, it was judged that the Charge was not well grounded, and therefore that the sd Brotherton ought not any longer to be denied Privileges.

The Cases of Sundry disorderly Brn. taken into Consideration, concluded that some Pains should be taken with them privately before they were called to an Acct. by the Session. Concluded with Prayer.

At a Session held for the Presbyterian Chh of Christ in Huntington, according to an Appointment last Lord's Day, held this 29th Jany. 1755, present Ebenezer Prime, Pastr. Z. Platt, Thos. Rogers, Abrm. Chichester and Elnathan Smith Elders. Opened with Prayer.

Entered upon the Case of James Kelcey &c. But he, persisting in asserting his own Innocency, as to Dr. Z. Platt's Charges, adjourned the further Consideration of it till some Witnesses could be called & examined in order to obtain further Light. Agreed to cite some other disorderly Brethren to appear at our next Session. Viz:—Azariah Wickes James Smith and Thomas Campbel. Concluded with Prayer.

Huntington Jany. 31, 1755, at a Chh Fast Azariah Wickes being dealt with by the Elders consented to make a 2d confession upon act. of excessive Drinking. It was read and owned by Him in ye publick Congregation, Lord's Day following, Feby. 2d, 1755. Concluded to admit him to Priviledges upon due Evidences of the Truth of his Repentance by a Reformation.

At a Chh Session held in Huntington March 3d 1755 according to a previous Appointment, present E. Prime, Pastr. Thomas Rogers, Abraham Chichester, Elnathan Smith, Dr. Zophar Platt ruleing Elders, opened with Prayer.

N.B. The Citation of James Smith & Thos. Campbel concluded upon Jany. 29 last as above was omitted upon Supposition that the Case of our unhappy Brother James Kelcey would take up much time.

Entred upon the further Consideration of his Case, as to the Charge of Dr. Platt (upon Suspicion sd Dr. being excluded from Sitting as Judge in his own Case) upon Hearing some circumstantial Evidences against James Kelcey, as well as what some of his Friends offered in his Vindication, it was concluded that there was great Reason to suspect and fear that he had in a clandestine Way taken from the Doctr's Mills Flour and Grain belonging to the Dr. by the Help of John Taylor & his Wife one or both, she being his Daur. As it is evident he has stoolen a considerable Quantity of Corn out of the Field of Abrahm Chichester last Fall, and sundry other things appearing which gave just Ground to suspect he, sd Kelcey has frequently without Leave cut Wood on and carried it off from other Men's Land, which he did not deny but excuse and endeavour to evade. Altho he offered to make a Confession of his stealing Corn from Abrm. Chichester, his Case and Conduct otherwise appearing very dark, it was judged there was just Ground for Censure and Suspension from the Lord's Table, until his case

should be cleared up and Satisfaction given. Accordingly he was admonished and suspended. Concluded with Prayer.

At a Chh Session held in Huntington Jany. 17, 1757 according to a previous Appointment, Present E. Prime, Pastr. Thomas Rogers, Zophar Platt, Abraham Chichester, Elnathan Smith ruling Elders. Opened with Prayer.

Azariah Wickes one of the Brn. under Censure appearing according to Citation, much Pains was taken to convince him of his immoral and unchristian Conduct, without answering the desired end. And Inasmuch as he desired some Time for Consideration and Reflection and two other Brethren Delinquents viz:—James Kelcey and James Smith failed of appearing according to Citation, it was concluded to adjourn this Session to the 31st of this Instant January, and Azariah Wickes promising to attend, fresh written Citations were ordered to James Kelcey and James Smith to attend according to Adjournment on the 31st of this Instant at the House of E. Prime, Pastr.

Concluded with Prayer.

January 31st Met according to Adjournment, opened with Prayer, Azariah Wickes not appearing according to Promise, nor James Smith, according to Citation repeated, the Proceedure as to them was adjourned. But James Kelcy appearing, the consideration of his case was resumed. But after Pains taken for his conviction, he, continuing to evade or deny every Charge, excepting in the case of Abraham Chichester, was admonished a 2nd Time, and his Suspension continued.

Agreed that two of our Members should go to Az. Wickes and J. Smith and enquire into the Reasons of their neglecting to attend our Session according to Promise and Citation. Concluded with Prayer.

Deacon Thomas Rogars, Elder of the Chh as well as Deacon departed this Life Feby. 24, 1759, much to be lamented.

Antecedent to his Death, at diverse Times not made Matter of Record here, Pains were taken with sundry disorderly members such as John Roberts, Azariah Wickes, James Smith &c. to little Purpose, unless, with Reference to Az. Wickes who being bro't to make a publick Confession of his Sins especially of Intemperance, was admitted to the Privilege of having his unbaptized Children baptized, and it was concluded he should be admitted to the Lord's Table upon the Evi-

dence of his Sincerity, by a good Conversation maintaind so long as might in a Judgment of Charity be accounted a good Evidence.

A little before Deacon Rogers's last sickness and Death a Meeting of the Session was concluded upon at his House to correct the Disorders in the Chh. But his Sickness and Death preventing it, therefore Lord's Day—March 4, 1759 a Chh Fast was appointed on account of the sad and deplorable Circumstances of the Chh the publick Calamities of War, and mortal Sickness among us, by which sundry of our most valuable members are remov'd out of the World, while a number are walking very disorderly.

At said Chh Fast attended according to Appointment March 8, 1759, our Brother James Nostrant was chosen to the Office of an Elder in the Room of Deacon Thomas Rogers, and Abraham Chichester, one of the Elders, chosen to discharge the Office of a Deacon in the Room of Deacon Thomas Rogers deceas'd.

Some Methods of Dealing with the disorderly Members in a private way, to reduce them, before we proceed to publick Censures were proposed to be attended by the Elders.

April 26, 1759, After some Part of the Day spent in Prayer accompanied with Ministry of the Word, the Minister and Elders of the Chh, that is, E. Prime, Pastr. Zophar Platt, Abrahm Chichester, Elnathan Smith and James Nostrant, Elders, retir'd to the house of Doctr Z. Platt, to consult some Measures for redressing Disorders in the Chh and removing Scandals. And after some Time of Deliberation and Consultation, appointed a Session to be attended next Tuesday, i.e. on May 1st, at three o'clock in the Afternoon at the House of E. Prime, Pastr., and order'd that written Citations should be sent John Roberts and James Smith two disorderly Brethren to attend sd Session, which was done accordingly, and being directed to them severally (Nominis Mutatis) is as follows:—

The Minister and Elders of the presbyterian Chh of Christ in Huntington To— (J.R.—J.S.) one of their Brethren send Greeting.

Whereas many of this Chh are grieved at your disorderly Conversation, Religion thereby wounded, and Occasion given to the Enemies of God to reproach the Christian Name and Profession: and Whereas Methods taken to redress those Grievances have hitherto fail'd of desir'd Success: these, therefore, are not only to desire but cite and require you, to attend our next Session, at the House of Ebenezer Prime Pastor of sd Chh, on Tuesday next, at three o'clock in the Afternoon, on the first Day of May next, then and there to answer such Things as shall be alledged against you, and to give suitable christian Satisfaction, or abide by the Direction, and submit to the Censures of the Chh. Hereof fail not,

as you will answer your Contempt of the Authority of Jesus Christ, the Supreme Head and King of the Chh in the great Day of Account.

Sign'd by Order of the Session
EBENR. PRIME, Modr.

After which Doctr. Platt was directed by sd Modr. to desire Moses Scudder, Esqr. Benijah Jarvis and Josiah Wheeler to attend as Evidences, and to order John Huff to attend sd Session in order to give Satisfaction in some matters of Scandal objected against him as an offending Brother.

May 1st, 1759, met according to the Appointment of last Session, present E. Prime, Pastr. Z. Platt, A. Chichester, E. Smith and James Nostrant Elders. Post Preces sederant qui supra.

James Smith attending according to Citation, enter'd upon and examind his Case, as to moral Scandal in a Course of intemperate Drinking, with Respect to which he gave no christian Satisfaction, but he pleading that we would not immedately proceed to further Censures, but give him a further opportunity to open and plead his own Case, in compliance with his Desire, adjourned the further Consideration of his Case to our next Session, appointed to meet in the same Place on Fryday the 11th of this Instant May, and order'd him to attend.

John Roberts not appearing according to Citation, order'd that he be cited a second Time, to attend our next Session, to give an Account of his Neglect and answer such other Things as shall be alledged against him. A Citation was order'd to him accordingly.

John Huff not appearing, propos'd to Dr. Platt to desire him to appear at our next Session.

The Tenor of the second Citation sent to John Roberts, is as followeth.

Huntington, May 1st, 1759.

The Pastor and Elders of the presbyterian Church of Christ in Huntington to John Roberts one of their Brethren send Greeting.

Whereas you have failed of attending this our Session according to a Citation bearing Date the 26th of April just past, these are to order and require you, to attend our next Session at the House of Ebenezer Prime, Pastor of the Church of which we are Elders, on the 11th day of this Instant May at three o'clock in the Afternoon. Then and there to answer for your neglect, and such other Allegations, as shall be brought in against you, according to the Tenor of the former

Citation. Hereof fail not, as you will answer the Charge of Contumacy against ecclesiastical Authority.

Signed by Order of the Session,
EBENR. PRIME, Modr.

Citations were ordered to Moses Scudder, Esqr., Benijah Jarvis and Josiah Wheeler to appear at our next Session, as Evidences, to give light in the Case of our Brother John Roberts. Concluded with Prayer.

May 11, 1759, Met according to the Appointment of last Session, present E. Prime Pastr, Z. Platt, A. Chichester, E. Smith and J. Nostrant Elders. Post Preces sederant qui supra.

John Huff appearing in Compliance with Desire made known to him by Dr. Platt, upon Examination own'd his Faults in some Measure, but declin'd making a publick confession. His Case being considered by the Session concluded that a suitable Confession be drawn and offer'd at our next Session, to be made publick, and that if he shall then refuse to comply, he be proceeded against by Admonition and publick Suspension.

John Roberts not appearing according to the 2nd Citation, but treating both the first and second with utmost Contempt, in Language not fit to be repeated, proceeded to a Consideration of his Case and upon Examination of the Evidences above mentioned, it appear'd clearly that besides his neglect of publick Worship and Ordinances, and many scandalous Disorders in his Family, he has, for a considerable Time, gone on in a course of intemperate and excessive Drinking and continues so to do, notwithstanding all the Pains taken with him in a private and more publick way. Concluded that he be proceeded against in a publick Way as a scandalous and contumacious Offender, and unless he complies with proper Methods of Satisfaction, that he be cut off from the Fellowship and Communion of the Church, and that as soon as shall be judged expedient at our next Session.

James Smith appearing, owned his scandalous Faults, particularly in a Course of intemperate Drinking, profess'd a Readiness to make a publick confession. Concluded that a Confession be drawn suitable to his case to be offer'd at the next Session, and that if he complies with its being made publick in a proper Way, it shall be accepted upon Condition of his evidencing the Sincerity of his Confession by a thorough Reformation; but if he returns to his former Sins after confession, as he has done heretofore, concluded that he be cut off from the Fellowship and Communion of the Church, as soon after as shall be judg'd proper.

Appointed that our next Session be attended on Fryday the 25th of this Instant May at 3 o'clock P.M. Concluded with Prayer.

May 25, 1759, Abrahm Chichester failing to attend and John Huff and James Smith not appearing as ordered, no Business was done, only an Appointment made by the Pastr and other Elders conveen'd of Meeting on Thirdsday next which will be May 31, Part of sd Day to be observ'd in solemn Prayer according to synodical Direction.

May 31, 1759, having spent some Part of the Day in Prayer accompanied with the Ministry of the Word, John Huff attended the Pastr. and all the Elders conveen'd in Session, and consented to a written Confession, order'd to be made publick in due time. James Smith not attending as was ordered, a Message was sent to him to repair to the Pastr. this week or at furthest next to subscrbe the Confession ordered for him by this Session to be made publick. Concluded that John Roberts should be cut off from the Communion of this Chh. as soon as the above mentioned Confessions are made publick &c. &c. June 10, 1759 Lord's Day, John Huff made a publick Confession as written and was restor'd &c.

James Smith being hindred by Sickness, in his Family, from repairing to the Pastor as above ordered, attended him on this Day, between Meetings, subscribed the written Confession order'd, which was made publick, and publickly own'd by him. Upon which it was order'd he should be restor'd upon Evidences of the Sincerity of his Repentance by the genuine Fruites of Reformation; otherwise that he should be cut off from the Communion, if he relapsed into former Immoralities as he had done after repeated Confessions.

John Roberts was, in a publick and solemn Manner cut off from the Communion, this Day, for his Immorality, and Contumacy against ecclesiastical Authority.

June 14, 1761, This Day Mary, the wife of John Russels, made a free, full and humble confession of the Sin of Adultery, with Capt. J. P. professing her Repentance and solemn Resolutions of Duty and Virtue in the publick solemn Assembly; and was thereupon recd. into Charity upon her good Behaviour, and so recommended to the Communion of the Chhs in the Jerseys, where she resides, or in any other Place where she may take up her abode.

July 23d, 1761, John Roberts, having been excommunicated on June 10th, 1759, for manifold Disorders in his Conversation, particularly a Course of excessive Drinking persisted in, accompanied with contempt of ecclesiastical Authority, and a contumacious Obstinacy, under aggravating circumstances, this Day,

being a Day of solemn Fasting and Prayer, voluntary made and subscrib'd a very humble Confession of the Sins for which he was excommunicated, professing his hearty Repentance and Resolutions of Holiness which being read in the publick Assembly, and own'd by him as his Confession, he was thereupon restor'd, own'd as a Brother, and being exhorted to persevere in his Resolutions, was assur'd of being admitted to the Lord's Table upon good Evidences of the Sincerity of his Repentance, by a good Life and Conversation, during the Term of a proper period of Time, for Probation.
